Organisational Strategic Plan 2017 – 2020

FAN's vision is for a community which acknowledges and values the dignity and worth of all citizens and enables individuals to deal positively with adverse situations in their lives

INTRODUCTION

FAN is committed to a vision which is philosophically underpinned by housing as a basic human right and the eradication of homelessness. This commitment extends to participating in the creation of a service system response for young people which is client focussed, relationship based, wrap around and holistic, age and developmentally appropriate. A service system which acknowledges and addresses the diversity of responses required to address vulnerability, family relationships, social connection and creating a place of belonging – a “home”.

Based on the principles of community development FAN’s early years service responses were innovative and grounded in the notion of promoting young people’s ‘connectedness’ to family and community. The community development model, so richly embedded in the formation of the organisation, has continued through the past 35 years of operation and laid the foundation for many of the values and practice principles still held strongly at FAN today. These include building sustainable community connections for young people and fostering the involvement of the community.

Organisational Overview

Originally formed in 1981 from the efforts of the local Box Hill community to respond to the increasing numbers of homeless young people in the area, FAN first began with a community placement service, shared private rental model and a volunteer support mentoring program. While thirty three years of operation has passed since the organisations inception, the core principles which first underpinned FAN’s approach remain both relevant and active today.

FAN is underpinned by a strong client focused, rights-based approach that seeks to maximise positive outcomes for young people through timely intervention and strategic responses. FAN provides a range of services for young people, young families and accompanying children who are experiencing or at risk of homelessness including:
